

Monocle DIY

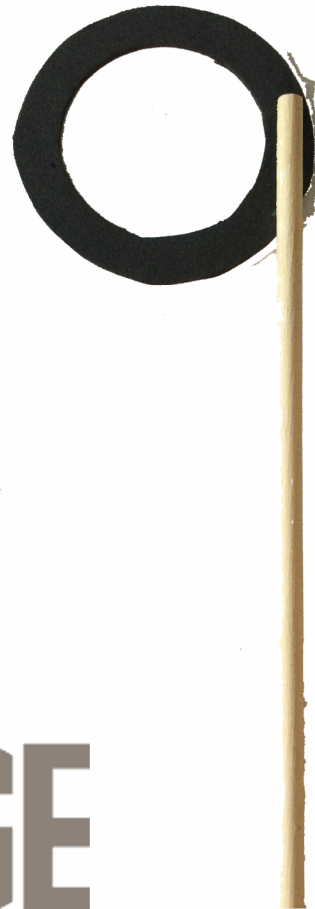

Supplies:

- black craft foam
- glue
- wooden dowel (1/16" x 11 7/8")
- black craft paint

1. Paint the wooden dowel black.
2. While the paint is drying, use the template above and cut circle out of black craft foam.
3. Using the glue, glue one side of the circle to the end of the wooden dowel.
4. Monocle completed!

Enjoy your fancy monocle!
